विभिन्न प्रकार के खाद्यान्नों के लिए भंडारण व्यवस्था

5872. **श्री शंकर दयाल सिंह:** क्या खाद्य मंत्री यह बताने की कृपा करेंगे कि:

(क) वर्तमान समय में भारतीय खाद्य निगम ने किस-किस प्रकार के खाद्यान्नों के रखने की व्यवस्था की है;

(ख) गत तीन वर्षों में भारतीय खाद्य निगम के भंडारों में कितनी मात्रा में खाद्यान्न बर्बाद हुए;

(ग) बर्बादी के मुख्य कारण क्या थे—चूहों का खाना, कीड़ों का लगना, मौसम अथवा रख-रखाव में असावधानी; और

(घ) इस संबंध में पूर्ण ब्यौरा क्या है?

खाद्य मंत्री (श्री अजित सिंह): (क) भारतीय खाद्य निगम मुख्यतया गेहूं, चावल और धान के भण्डारण हेतु प्रबन्ध करता है।

(ख) पिछले तीन वर्षों के दौरान खाद्यान्नों की निम्नलिखित मात्रा क्षतिग्रस्त हुई थी।

वर्ष	मात्रा (मीटरी टन में)
1991-92	19,870.187
1992-93	10,307.609
1993-94	11,338.279

(ग) और (घ) खाद्यान्नों के क्षतिग्रस्त होने के मुख्य कारण हैं—मौसम जैसे बाढ़, चक्रवात, भारी वर्षा और प्रतिकूल मौसम स्थिति में खाद्यान्नों का संचलन। भण्डारण के दौरान चूहों और कीड़ों से बहुत कम मात्रा में खाद्यान्न क्षतिग्रस्त हुआ है।

Per capita quota of Sugar for States

5873. SHRI GOVIND RAM MIRI: Will the Minister of FOOD be pleased to state:

(a) what is the present per-capita quota of sugar in different States as fixed by Government;

(b) whether Government propose to increase the per capita quota of sugar and whether different State Governments have sought increase in the quota of sugar; and

(c) if so, what are the details of action taken by Government in this regard?

THE MINISTER OF FOOD (SHRI AJIT SINGH): (a) to (c) Under the present policy of partial control, the monthly allocations of levy sugar to most of the States/Union Territories are being made on uniform norms of ensuring 425 gms. per capita monthly availability for the projected population as on 1.10.1986. These norms are effective from 1.2.1987. However, some States/UTs are being allowed allocations at higher scales in view of the special circumstances prevailing there. Accordingly, about 3.35 lakh tonnes for sugar is being allocated each month as levy for distribution under the Public Distribution System for the entire country. In addition to the above, Government releases about one lakh tonnes per annum as festival quota which is allocated to the States/UTs in proportion to their monthly levy allocations.

Some of the States/UTs have demanded increase in their levy sugar quota on the basis of population as per 1991 census or latest population estimates.

In view of the decline in sugar production during the last two consequtive sugar seasons, i.e. 1992-93 and 1993-94, it has not been possible till yet to enhance the norms of levy sugar allocation to various States/UTs.

5874. SHRI S. MADHAVAN: Will the Minister of FOOD be pleased to state:

(a) whether it is a fact that the Food Corporation of India has stopped the supply of wheat to the flour mills in Tamil Nadu State;

(b) if so, the reasons therefor;

(c) what are the steps taken to resume the supply of wheat to the flour mills in Tamil Nadu State;

(d) whether the FCI is supplying wheat to the flour mills in other States; and

(e) if so, the details thereof?

THE MINISTER OF FOOD (SHRI AJIT SINGH): (a) No Sir.

(b) Does not arise.

(c) Sale of wheat to any buyer (including roller flour mills) under open sale scheme is subject to availability of wheat in particular Depot/Area over and above the requirement of PDS and other Government sponsored welfare schemes. Due to movement problems, the movement of stock ex-North to consuming areas was not upto to the level of requirement of wheat for both PDS and open sale scheme. However all efforts are made to arrange maximum wheat stock to the consuming States so as to have regular flow of stock to PDS, Government programme and open sale.

(d) and (e) FCI is selling wheat under open sale scheme throughout the country except Assam and North Eastern States subject to availability of stocks. Statement indicating state-wise quantity and prices of wheat sold during 1994-95 upto March, 1995 and April, 1995 is at Annexure [*see* Appendix 173, Annexure No. 121].
